## MRCRA meeting minutes Monday September 9<sup>th</sup>, 2013 .

Meeting called in at 7:00PM

Old business:

- Fun fly

Start time 10:00 , Pylon race will be organized (T28 / pogo)

Chester will pick up the meat for 40 meals (brats & hotdog precooked), and bring a dish to pass

15 bottles of soda and 16 bottles of water remain from last fun fly/ Alan will bring some extra pop /Len is bringing donuts.

Equipment required Radar gun (Len to ask P. Smith) / altimeter (Stephane)

New Business

- New members voted in :

o Scott Lonrangir sponsored by Stephane

o Dave Sheckler sponsored by Len, need to pay dues and provide AMA # at the fun fly

- Safety: An RC helicopter pilot is dead in US this week. Mark explains that everybody has to conform to our safety rules, and especially by keeping energy of the model away from us. We need to force ourselves to communicate more when flying by yelling what are our intentions are: Yell taking off or landing as people on the ground or flying may not have their eyes on what is happening. And specially be respectful! NEVER FLY COMING BACK TO THE FLYING LINE, if elevator, servo, model or anything else fail it might generate a sever accident

- New secretary : As mike Brown has resign in his position, Stéphane Ruelle has been voted in, Eric Johnson will back Stéphane up when he will be traveling

- Next meeting will be taking place October 6th at the Ypsilanti township building, 7200 S Huron River Dr, Ypsilanti Township, MI

Meeting called completed at 7:25 PM

Stéphane Ruelle, MRCA secretary

## Photos of the Month

**Lyle Mead has converted his Bent Wing to electric. One of Lyle's own designs, he built it some ten years ago and flew it with glow power. Flies now on a 5s for power. It flies just as good as its Golden age looks.**

I need material for upcoming Newsletters. Your build projects, Photos, Events, historical info etc.

Please send to Robert Throne.
